We just wanted to say a huge thank you for the music at our wedding on Saturday. Jodie & Charlie were honestly even better than we could have imagined!

All of our guests have been raving about how incredible the music was throughout the entire day, from the beautiful ceremony music to the courtyard vibes and right through to the dance floor. So many people said it was the highlight of the day and the best wedding music they've ever experienced.

From the moment the first dance finished, the dance floor was full right through until 1am. The energy, the atmosphere, the party, it was everything we hoped for. The range of music was spot on and catered so well to the mix of ages and tastes. It meant so much that everyone had such a good time.

The music and evening party were such an important part of the day, and it completely exceeded expectations. They looked great, sounded incredible, and created exactly the vibe we dreamed of.

Personally, Jodie & Charlie were also really easy to communicate with over the 2 years we planned our wedding. They were very flexible, responsive, were able to learn our songs, and even took some requests from our guests on the dance floor!

Truly unforgettable - thank you!

Hannah & Mike
